

Mike D'Arrigo, Sewage Enforcement Officer

On-Lot Septic Systems

If you are having problems with your septic system please contact the Borough's Sewage Enforcement Officer (SEO), Mike D'Arrigo of Mesko & Associates, Inc. at **(814) 255-6901**. The SEO will help determine the cause of the problem, the best repairs for a long-term solution and whether or not a permit is required. Examples of repairs that require a permit include replacing or enlarging treatment tanks, replacing pumps, repairing distribution boxes and distribution (leach) fields, and replacing piping between house, treatment tanks and distribution fields. The SEO oversees repairs made by contractors,
